

Aashyana Advice

Aashyana is a joint project providing housing, benefits, and money advice for Bristol's South Asian Community.

The partners involved in the project are **CHAS**, **Citizens advice** and **St Paul's advice centre**.

In 2017/18 Aashyana Advice became more established in the local community following a successful celebratory event, information sessions with local groups, a programme of community outreach and accessible referral routes.

Clients can make a **referral** by accessing the following link to the Aashyana website:

On the 19th of August, the Aashyana Advice Service held a stall at Bristol's Islamic Cultural Fayre, a vibrant celebration of Bristol's diversity and one of the largest events of its kind in the South West.

“Just wanted to say a belated thanks for helping out in such a great event last week. A really positive vibe and a very positive turnout. Our Directors were really impressed with you and your teams and how much positive progress has already been made on the partnership.”

Matt Parsonage, funder and Head of Communities - Clarion Futures.
